IDEA 0905

Copy 2 of 5

5 November 1962

**MEMORANDUM FOR THE RECORD**

**SUBJECT: Resumption of TACKLE Activities**

1. Special Group requested schedules and flight plans for proposed operations over China, North Korea, and North Viet Nam. This proposal will be considered Thursday, 8 November 1962, and must be submitted by the Operations Division by 1600, 5 November.

2. This proposal will be prepared in the format previously used for the "Black Book" and will include target requirements and a concept of operations in a general term, without a great deal of flight plan details. It further will include a proposal for placing a second U-2 in Detachment H with appropriate comments regarding operating procedures designed to preclude general knowledge that more than one aircraft is based in

3. Priorities for these proposals will be North Korea, South China, and then others. Operational priorities will be flexible to take advantage of best weather conditions.

4.  will prepare a message for  advising of the intended operation with specific reference to coordinated overflying of North Korea
